**1. Authorship/Contributorship Statement**

I certify that neither this manuscript nor one with substantially similar content under my authorship has been published or is being considered for publication elsewhere (except as indicated in an attachment).

I have access to any data upon which the manuscript is based and will provide such data upon request to the editors or their assignees.

I agree to allow the corresponding author to correspond with the editorial office, to review the uncorrected proof copy of the manuscript; and to make decisions regarding release of information in the manuscript.

I have given final approval of the submitted manuscript for which I take public responsibility for  part or  whole content.

According to the definition given by the International Committee of Medical Journal Editors (ICMJE), I qualify for authorship based on making one or more of the substantial contributions to the intellectual content:  conception and design,  acquisition of data, and/or  analysis and interpretation of data. Furthermore, I have participated in  drafting of the manuscript and/or  critical revision of the manuscript for important intellectual content.  I am or  I am not ... the corresponding author.
